

# The Aircraft Ramp Safety and Ramp Human Factors Initial Training was completed by Air Moldova

*Sofema Aviation Services is delighted to share details about the delivery of the Aircraft Ramp Safety and Ramp Human Factors Initial Training to Air Moldova*

SOFIA, BULGARIA, July 25, 2022 /EINPresswire.com/ -- Sofema Aviation Services (SAS) [www.sassofia.com](http://www.sassofia.com) is delighted to share that the Aircraft Ramp Safety and Ramp Human Factors Initial Training was delivered to delegates from Air Moldova.

The course was carried out as a webinar by the experienced SAS instructor Tihomir Dzingov on 06-07 June 2022.

What was the training about?

This course aims to provide the delegates with an understanding of the human factors exposures which can impact ground operations & the importance of communication and team behaviour. They will develop self-awareness regarding HF exposures in the workplace. The participants will be able to manage processes to impact human factors behaviour to reduce the issues related to damage to Ground Handling Equipments. They will also develop a safe attitude and behaviour related to Ramp Operations.
