TAMPA, FLORIDA, UNITED STATES, July 25, 2022 /EINPresswire.com/ -- Enrollment is now open for the 2022-23 school year at FaithPrep Florida, a new private online learning option for students in grades K-12.

FaithPrep Florida is a program of [Tampa Bay Christian Academy](#) in partnership with [Faith Academics](#), a Tampa-based education company, and [Stride, Inc.](#), the leading provider of digital learning products and services across the country. The full-time program will offer Florida families a unique school experience that is online, faith-based, and life-focused.

The FaithPrep education model offers a world-class online learning platform that utilizes award-winning curriculum taught by licensed Christian teachers. Students are provided the tools, resources, and support needed for success in a virtual school environment. Southeastern University will be a lead partner for the dual enrollment courses.

Students will also be able to attend learning hubs or "Faith Centers" in certain locations around the state. These hubs will promote socialization with other students, offer faith-enrichment activities and provide general program support. 7:00 pm on August 31st at the Carrollwood campus at 5100 W. Waters Avenue, Tampa, FL 33634.

According to Matt Peavyhouse, Head of School at Tampa Bay Christian Academy, this new program will compliment and support the growing movement of Christian education around Florida. "FaithPrep Florida is designed for those families seeking a full-time online learning option that provides strong academics in a Christian school environment. We hope to provide an innovative school program that is both accessible and affordable to families across the state. This is the first program of its kind designed for Florida families."
