The law firm of Javier Villarreal offers a team of attorneys, considered among the best personal injury attorneys near Harlingen, Texas.

BROWNSVILLE, TEXAS, UNITED STATES, July 28, 2022 /EINPresswire.com/ -- The Villarreal Law Firm, a team of trucking accident lawyers in Brownsville Texas, is proud to announce new content on trucking accident issues. First and foremost is a new microsite on Texas trucking issues at <https://www.jvlawfirmtrucking.com/>.

“

Trucking accidents are thankfully less common than car-on-car accidents.”

Javier Villarreal

“[Trucking accidents](#) are thankfully less common than car-

on-car accidents,” explained attorney Javier Villarreal, a managing partner at the Villarreal Law Firm. “But when trucks hit cars, the results can be very severe injury. Even worse, trucking insurers are known for being difficult to pay up.”

Persons who want to learn more can check out the new website. That website is running across Texas, not just in Brownsville, but throughout South Texas in communities such as McAllen, Harlingen, and others throughout the RGV (Rio Grande Valley). Truck traffic is increasingly steadily as the economy improves, and thus so are truck wrecks. Many injury victims do not know how important it is to seek legal help to fight for one’s rights against insurance companies who may not be willing to pay out.

Another key piece of content is at <https://jvlawfirm.net/trucks-are-big-an-accident-with-one-is-a-lot-worse-than-a-car-wreck/>. That short post explains just how serious accidents with trucks can be versus those with cars. Any victim of a trucking accident would be well advised to reach out to a Texas trucking accident attorney for a consultation. Even more important, such consultations are at no charge. A “contingency fee” structure is the norm in personal injury litigation.

Injury victims who want to learn more about truck accident issues can also visit <https://jvlawfirm.net/practice-areas/trucking-accidents/> for more information.

Those who speak Spanish are encouraged to read the Spanish-language content as for example

at <https://jvlawfirm.net/practice-areas/abogado-de-accidentes-automovilisticos/> and at <https://jvlawfirm.net/practice-areas/abogado-de-lesiones-personales/>. The Spanish language is front and center at the law firm, as many accident victims speak Spanish and want an attorney who speaks that language.
