

World Bboy Battle extreme breakdancing sports championships returns to Tribeca PAC in NYC

Athletes and spectators come together in a professional sports and family-friendly environment, and share fun, excitement and thrills

NEW YORK, NEW YORK, USA, July 25, 2022 /EINPresswire.com/ -- After a three-year hiatus, WBB launches the 2022 WBB Pro Bboy Sports Championships on August 27 in the BMCC Tribeca Performing Arts Center. This annual championship event is bigger and badder with the world premiere of the Bboy Sports Games, a championship series of one-on-one Bboy sports battles where athletes show off their skills in individual style rounds in Footwork, Powermoves and Burners under the Pro Breaking League's sports regulated 100-point scoring system based on ten elements fundamental to breaking. For the first time ever, anyone can watch, understand, compare, judge and enjoy a live Bboy battle because of WBB's unique and easy to follow Bboy sport.

This single elimination bracket tournament begins at the Extreme 8 level featuring eight national Bboy champions, including Kid Karam (UK), Dosu (PE), and Neosan (FR), vying for the world title, prize money and the first WBB championship belt.
