FRESNO, CA, UNITED STATES, July 25, 2022 /EINPresswire.com/ -- Ignite Press announced this week that Ashley Freeman's new book, *The Path to Your Career Purpose: Find and Live the Life of Fulfilling Work You were Meant to Do* became a #1 international bestseller on Amazon this week in the US, Canada, and Germany in the categories of Job Hunting, Job Markets & Advice, Vocational Guidance, and more! In addition, her book became a #1 Hot New Release on Amazon in the US, UK, Canada, and Germany in 18 categories.

The book is available on Amazon at <https://amzn.to/3l3M4zI>

*The Path to Your Career Purpose* offers practical insight on how to become unstuck in your sense of purpose and your approach to landing your “dream job”, but her book is not aimed only at the career-seeking set.

“I believe in a world in which we all live a life of meaningful and fulfilling work, and that the path to get there is not one that only a select few have the capacity to find, or the right to access,” says Freeman. “I find it utterly tragic that most people are not doing work that they love. What amazing gifts the world is missing out on! Further, because none of us knows how long we have left on this earth, I believe that a life in which we do work that we love is the only way to

live—and that there is no time to waste going after it.”

After a seven-year journey to discover her career purpose, Ashley Freeman is living her dream as a full-time coach, facilitator, and entrepreneur. She wrote *The Path to Your Career Purpose* so that others can expedite the process toward living their dream, too.

In 2018, Ashley founded Flourishing Work LLC, a firm that serves both individuals and organizations through customized coaching and facilitation services. She and her team have a passion for helping people gain the clarity and interpersonal skills they need to make meaningful, intentional progress every day toward their best selves. She has coached hundreds of individuals, from early career professionals to senior leaders, and has facilitated workshops on a variety of interpersonal and leadership topics for dozens of corporate and nonprofit organizations throughout the years.

Ashley holds an MBA in leadership from Goizueta Business School of Emory University, a BA in French with a minor in music from Emory College of Arts and Sciences, and she is a Myers-Briggs® Master Certified Practitioner. *The Path to Your Career Purpose* is her first book.

In her free time, Ashley serves as a volunteer coach for U.S. Military veterans transitioning to civilian careers. She also enjoys teaching cello and piano lessons, traveling, crocheting, and spending time with her family.
