

# Fraud.net included in FedNow Payments Service Provider Showcase

*The award-winning fraud solution was included in the Federal Reserve's FedNow Payments Platform for Businesses.*

NEW YORK, NY, UNITED STATES, July 25, 2022 /EINPresswire.com/ -- Fraud.net, a leading platform of comprehensive and customizable fraud prevention and risk management solutions, was recently included in the Federal Reserve's FedNowSM Payments Service Provider Showcase as a solution provider for fraud prevention.

Fraud.net featured in Federal Reserve FedNow Showcase

According to the Federal Reserve, "The FedNowSM Service Provider Showcase is a one-stop resource for connecting financial institutions and businesses with service providers that can help them innovate and implement instant payment products using the FedNowSM Service."

Fraud.net co-founder Whitney Anderson shares, "We are thrilled to be recognized in this showcase for our award-winning solution. Real-time payments require modern, real-time risk management. Our cloud-born end-to-end platform, having de-risked billions of transactions and applications, enables organizations to implement instant payments safely and securely, supporting the FedNowSM mission with advanced technology."
