“The Texas real estate market has exploded in the past few years, making it the ideal next market for our continued expansion,” said Villarreal. “After becoming California’s fastest-growing real estate brokerage, it made sense to look at new markets where we could grow our business and help local residents buy and sell their homes. We’re excited to welcome Gary Evans to our team, and look forward to continuing our success in Texas.”

Evans began his real estate career in 2003 after an extensive career in marketing and advertising,

working for Re-Max, Keller Williams and a select group of local Houston, Texas brokerages. In 2015, he founded Evans Realty Group and is a Platinum Accredited Real Estate Coach with the Craig Proctor Home Selling Systems. He has earned numerous awards for excellence in real estate including the Re-Max Executive Club Award, the Craig Proctor Breakthrough Award, and the coveted Craig Proctor Quantum Leap Award. He currently resides in Katy, Texas with his wife and enjoys spending time with their five children.

"I am thrilled to be joining the successful YHSGR team by launching the Texas-based arm of the company," said Evans. "Texas has become one of the fastest-growing real estate markets in the country, and buyers particularly need trusted brokers to guide them through the competitive process of buying a home. YHSGR has the technology in place to give buyers a leg up in landing their dream home."
