

National Drug Screening Named to Top 100 Best Companies List

National Drug Screening was recently named in the Top 100 Florida's Best Companies To Work For list and will be recognized in Florida Trend Magazine in August.

MELBOURNE, FL, UNITED STATES, July 27, 2022 /EINPresswire.com/ -- The annual Best Companies To Work For In Florida list featured in the August issue of Florida Trend magazine ranks 100 companies in small, medium and large employer categories.

To participate, companies or government entities were required to have at least 15 workers in Florida and to be in operation at least one year. Companies that chose to participate underwent an evaluation of their workplace policies, practices, philosophy, systems and demographics. The process also included a survey to measure employee satisfaction. The combined scores determined the top companies and the final ranking.
