Induction into the Academy is a significant milestone in a nurse leader's career in which their accomplishments are honored by their colleagues within and outside the profession. Fellows are

selected based on their contributions and impact to advance the public's health.

“

I am honored to be accepted as a Fellow of the American Academy of Nursing and will continue to work and contribute to the advancement of the nursing profession and health care.”

The Academy is an honorific society that recognizes nursing's most accomplished leaders in policy, research, practice, administration, and academia. Academy Fellows, from nearly 40 countries, hold a wide variety of influential roles in health care. engaging with health leaders nationally and globally to improve health and achieve health equity by impacting policy through nursing leadership, innovation, and science.

She is one of only 30 nurses in the world who have achieved the prestigious certified speaking professional designation. In 2018, she was recognized as one of LinkedIn's Top Ten Voices in Healthcare for her contribution to their global online healthcare community and in 2022, was recognized as one of the top 5 nurse influencers on LinkedIn.

"I am honored to be accepted as a Fellow of the American Academy of Nursing and will continue to work and contribute to the advancement of the nursing profession and health care," says Thompson.

Through a competitive, rigorous application process, the Academy's Fellow Selection Committee reviewed a record number of applications, representing a 30% increase from the previous year, to select the 2022 Fellows. Dr. Thompson was one of 250 individuals selected to be inducted. The 2022 Fellows represent 35 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, and 17 countries.

The 2022 inductees will be recognized for their significant contributions to health and health care at the Academy's annual [Health Policy Conference](#), taking place on October 27-29, 2022 in Washington, DC at the Marriott Marquis during the Induction Ceremony on the evening of October 29.
