

Logic20/20 named “Best Firm to Work For” by Consulting Magazine

This firm was honored in the “Small Firms” category for their innovative and collaborative company culture.

SEATTLE, WA, USA, August 2, 2022 /EINPresswire.com/ -- Business and technology consulting firm Logic20/20 announced that it has been named one of Consulting Magazine's “Best Firms to Work For” in 2022. This is the firm’s first time being named to the publication’s list, based on the largest and most in-depth employee satisfaction survey in the consulting industry.

Consulting Magazine Best Firms to Work For

“By centering our culture around innovation, continuous learning, and community, we’ve built an environment where consultants can realize their full potential,” says Will Schmidt, General

Manager of Consulting. “To be recognized by Consulting Magazine—and by our employees—is truly an honor, and as we continue to grow nationwide, we’re committed to improving the Logic20/20 employee experience.”

“

As we continue to grow nationwide, we’re committed to improving the Logic20/20 employee experience.”

Will Schmidt, GM of Consulting

Logic20/20’s employees expressed their appreciation for the firm’s ability to maintain a robust culture for both hybrid and remote team members, regardless of physical location. The company has embraced a digital-first approach and oriented their culture around it. Distributed

employees within the organization take part in knowledge sharing sessions and work on collaborative teams, functioning as one cohesive unit.

This annual “Best Firms to Work For” program was created by Consulting Magazine to showcase the effort companies invest to ensure the happiness, engagement, and professional fulfillment of their greatest asset—their people. In 2022, more than 200 firms submitted entries, resulting in 7,900 surveys reviewed and evaluated.
