Black Girl Everything, LLC Detroit Pop-up and Book Tour

The phenomenal Schneps Media Award-winning Dr. Gloria Pope founded Black Girl Everything to utilize her passion for education to see women of color take larger margins as business owners. And to provide them with a supportive network that will allow them to grow within the collective and outside. Each year the organization hosts various workshops, retreats, and pop tours across the United States of America. They also give back to the young women of color in the communities that seek to start their own businesses by offering scholarships for continuing education after high school.

Next up is BGE's Summer Day Party & Brunch Pop-up event on Saturday, June 6th at The Garden in Mount Vernon, NY. A time to enjoy good food, music, and drinks while networking with other business owners. DJ Pursue @dj_pursue will be providing the music.
