

# Keith J. Announced as Technician of the Week

---

*Keith J. has exemplified his dedication to taking the hassle out of vehicle ownership – making him Wrench's Technician of the Week*

SEATTLE, WA, UNITED STATES, July 29, 2022 /EINPresswire.com/ -- Operating in the automotive industry for over 25 years, Keith has a proven track record of exemplary service - yet still he continues to work on his own automotive projects and challenges himself to remain at the top of his game. Joining Wrench in the Tampa market, Keith quickly became self-sufficient, promptly ordering his own parts and always lending a hand. Intrigued from a young age, Keith has been fixing up cars since the age of 13, and now proudly holds his ASE Master Certification. Wrench customers can relax knowing they have a dependable technician at the ready with a smile.

“Keith is a well-respected legacy technician that has helped build Wrench into what it is today”  
– Bob Uresti, Service Director

“Keith has always been a magnificent team player. Whenever called upon for a specific request, even on his off days, he has never once said no!”  
– Peter Champlin, Former Service Manager
