

# PureEdge Lighting Defends and Wins Patent for Lazer Line

*Court Favors PureEdge Lighting in Settlement Against Fabbian S.R.L Over Patent Infringement*

CHICAGO, IL, UNITED STATES, July 29, 2022 /EINPresswire.com/ -- [PureEdge Lighting](#) won its lawsuit filed on August 4, 2021, in United States District Court for the Northern District of Illinois. The court entered a judgement in favor of PureEdge Lighting, the Defendant, against the Plaintiff, Fabbian S.R.L, regarding patent infringement for [Lazer Line](#) Suspension.

**Lazer Line**  
Lazer Line Suspension Lighting Can Go Wall-to-Wall and Wall-to-Ceiling

Lazer Line is an innovative suspension lighting system with a patented turnbuckle mounting system held under U.S. Patent No. 9,033,541 ('541 Patent).

“

We are happy to know that our industry – and the judicial system – recognizes our efforts to innovate original products and bring them to designers all over the world”

*Gregory Kay*

“We are pleased with this ruling that continues to protect our engineering, creativity, and hard work. We are happy to know that our industry – and the judicial system – recognizes our efforts to innovate original products and bring them to designers all over the world” said Gregory Kay, Owner and CEO of PureEdge Lighting. “We are engineers, artists, electricians, and designers at PureEdge Lighting and will continue to stand behind our products and defend them if needed.”
