

Newborn Named Kal-El Sees Super-Pets with Krypto and Settles Superman v Black Adam Debate with Make-A-Wish Showdown

CHICAGO, IL, USA, July 29, 2022 /EINPresswire.com/ -- At just under 2 weeks old, Ka'ohēle Kal-El Carlos Jr. saw his first movie, DC League of Super-Pets, at an early Thursday screening with his sisters Leialoha Batgirl Carlos 8, and Kara Zor-El Carlos, 6. Together, they are settling the Superman v Black Adam debate through their \$100K the Make-A-Wish fundraiser at [BlackAdamFitnessChallenge.com](https://www.blackadamfitnesschallenge.com).

"We ask each person that donates who they think would win in a fight, Superman or Black Adam" explains Leialoha. "At the end of the fundraiser on October 21st – when Black Adam comes out – we will announce who the people think would win on BlackAdamFitnessChallenge.com."

Dwayne Johnson, who voices Krypto in DC League of Super-Pets and is bringing Black Adam to the big screen, had the following to say when asked at Comic-Con if Black Adam could defeat Superman in a fight: "Well, I will say, as you guys know, because we're all in deep with this mythology, and it's been an age-old question of who would win a fight between Black Adam and Superman. Pound for pound, they're pretty close. I guess it probably all depends on who is playing Superman; I'm just going to say that. I'll leave it at that." In a follow up interview, Johnson called Henry Cavill the Superman of our generation.

"I think my brother Kal-El is the Superman of our generation" retorts Kara.

Kal-El's first ever movie was captured on video by their dad and can be seen at: <https://www.instagram.com/p/CgmfAN6JKdo>.

To assist with the Black Adam Fitness Challenge fundraiser, the Carlos sisters will be giving away free ZOA and lemonade this Sunday, July 31st, at the corner of Stevenson Ranch Parkway and Holmes Place in Stevenson Ranch, CA from 4 – 7 pm. In addition to raising funds locally in their

community, they are raising funds at [BlackAdamFitnessChallenge.com](https://www.blackadamfitnesschallenge.com) with a goal of reaching \$100K before the Black Adam movie, helmed by Dwayne Johnson, releases on October 21st.

"As Hawaiians, my daughters and I have a great sense of pride in seeing other Polynesian people reach great heights in their careers" emphasizes their dad, Kaʻohele Carlos, who leads the Core Experience Team for Amazon's Prime Video streaming service (<https://www.linkedin.com/in/kaocarlos>). "The most inspirational part of his success is that Johnson has remained grounded and connected to his ʻōhana throughout his illustrious career."

ʻŌhana, the word for family in Hawaiian, is top of mind for Mr. Carlos. Kaʻohele Kal-El Carlos Jr., was just born on July 15th at 4:05am PST. "I am feel extremely lucky to have healthy children and a very understanding wife who let me name all of them" admits Carlos. "We call our son by his middle name, Kal-El, which is Superman's real name from Krypton. Leialoha has the middle name Batgirl. Kara has the middle name Zor-El. Kara Zor-El is Supergirl's real name from Krypton. My wife happens to be named Diana, which is Wonder Woman's secret identity. With a Batmobile (<https://youtu.be/Mz6srk2e2w>) and a Batcave office (<https://youtu.be/1TdWsHi4FE>), I am Batman to complete our super-family."

Luckily, Krypto helped Kal-El sleep through the movie so his parents and sisters could enjoy it.

The \$100K fundraiser for Make-A-Wish at [BlackAdamFitnessChallenge.com](https://www.blackadamfitnesschallenge.com) is an effort to build an online fitness community to support each other and the causes the group is passionate about. "One of the reasons

I started the Black Adam Fitness Challenge was to get my daughters into fitness as a way to bond. Being from Hawai'i, having a strong familial support system is essential to my well-being." conveys Carlos. "As an example, I was on the island of Hawai'i to be with my dad who recently passed and a friend suggested that I stop by Ken's House of Pancakes to give aloha to Aunty Debbie while in Hilo. While talking story with Aunty Debbie, I learned that she also had a parent in the hospital and we had the opportunity to console each other. I also learned that she

is ʻōhana with my friend Sri. When I texted Sri about Aunty Debbie and told her about my son, she let me know that her daughter Rain's baby is doing great and that her daughter Sade is also expecting. I am looking to build this same level of interconnected support for my existing and

new fitness friends. In fact, while I was at the hospital, my HIIT coaches, Diana, Steven and Amanda, jumped in to create #BlackAdamFitnessChallenge videos including Coach Amanda's amazing cosplay fitness videos which can be seen at <https://www.instagram.com/blackadamfitnesschallenge>."

When asked what they rated DC League of Super-Pets, Kara Zor-El gave it 10 out of 10 capes and Leialoha Batgirl gave it 10 out of 10 Batarangs. For his part, Kal-El snuggled with his Krypto doll and slept through the movie, leaving his parents extremely relieved.
