

Most Anticipated Book on Confidence, Excellence, & Resilience Building Release Date Announcement

Path to Excellence is Tony J. Selimi's latest edition in the self-mastery books with a twist that supports you along the positive development beyond oneself.

LONDON, UNITED KINGDOM, August 1, 2022

/EINPresswire.com/ -- The world's best athletes, performers, and visionaries carry an extremely high commitment or enthusiasm for their pursuit. This is required to attain the highest achievement, excellence, and fulfilment levels. However, in a very fast-paced world where demands bestowed upon us are significant, where billions of people face daily challenges, doubts, and fears, it will come as a shock to many to learn that the consequences of leaving average life are silently creating an epidemic of blame, entitlement, and giving up on bringing to life our highest callings, visions, and purpose.

How to overcome the challenges presented to us through the eight transitional cycles of life as we grow to our fullest potential is a subject that has fascinated human behavioural and cognition expert Tony Jeton Selimi for years. It has inspired him to dive deeper into how to excel at the highest level, to the point at which the pursuit of excellence becomes the centre of his life more than anyone else and producing the most anticipated book '[A Path to Excellence](#), with an expected release date sometime in August or early September 2022.

[A Path to Excellence offers effective means of transforming ourselves](#) through the eight transient cycles of life into evolving and grateful states of excellence and vitality. It helps discover the hidden order in the perceived mental chaos and confusion to transform, transcend, and emerge as a confident, radiant, trustworthy individual.

In this inspiring book, [Tony J. Selimi](#) shares some rules by which people can come back into living, working, and serving with excellence leading the way.

About the author:

Born in 1969 in Gostivar, Republic of Northern Macedonia, Tony J.
