Kimberly Adams shows the charm of wishes in book Five Mile Charlie: A Special Pony for Carly at Beijing Book Fair 2022

LOS ANGELES, UNITED STATES, August 1, 2022 /EINPresswire.com/ --

Practicing attorney [Kimberly Adams](#) pens the secret magic of wishes in the first installment of her Five Mile Charlie book series entitled Five Mile Charlie: A Special Pony for Carly.

The book, which is currently released on Amazon and Barnes & Noble and will be on display to the public at Beijing Book Fair 2022 from August 24-27, 2022, holds on to the premise that wishes don't always come true the way we want them to—but they can be brought to life in a totally different way!

This 38-page fantasy children's book is a charming tale about Carly, a sweet young girl who lives on a farm in Oklahoma named Five Mile. She has always wanted to be a pony because she loves animals so much. Nora, the magical queen bee of the valley, has heard of Carly's wish and has sent out scout bees in search of a pony. The moment Carly sees the strange new animal in her field - a llama, she falls head over heels in love with it. Despite Charlie's llama status, she and Charlie hit it up right away.

The author, Atty. Adams crafted the idea of centering the story set in her own home state Oklahoma where she also served as the municipal judge.

After the death of her pet llama, Charlie, Kimberly Adams developed an interest in writing fiction.
