Boca West Country Club helped break ground last week on a new Habitat for Humanity home to the deserving Jackson family, natives of the area who had a long-time dream of being Delray Beach homeowners. Boca West served as the Home Sponsor, along with the Knight Group and in partnership with the City of Delray Beach and the Delray Beach CRA.

It is our honor to help the Jackson family achieve their dream of home ownership in partnership with Habitat for Humanity.”

The home, located at 242 NW 6th Avenue, is the 12th local Habitat for Humanity home sponsored by Boca West Country Club over the last 10 years, helping to provide affordable homes earned by a hard-working family.

De’Vonta Jackson and Myshayla Wilfork are a young married couple with four children, Za’nyah (11), De’Vonta Jr. (6), De’Layah (4), and De’Mani (10 months). Myshayla

was born and raised in Delray Beach and works as a cake decorator at Publix. De’Vonta was born in Boynton Beach and grew up in Delray. He is currently in the market for a job and hopes to receive an offer soon.

“It is our honor to help the Jackson family achieve their dream of home ownership in partnership with Habitat for Humanity,” said Matthew Linderman, CCM, President, COO and General Manager of Boca West Country Club. “We have established a legacy of investing in community

programs that have the power to change lives. Meeting this young family was so gratifying and we were very grateful to be a part of this.”

The Jackson family put in 600 hours of “sweat equity” working on their home throughout the construction process along with Habitat volunteers. The family also met the Habitat homeowner requirements of attending workshops that address financial literacy, cleanliness and home maintenance, effective parenting, hurricane preparation, energy conservation, and more.

Habitat for Humanity South Palm Beach County was incorporated as a nonprofit organization in 1991 and supports the communities of Boca Raton, Boynton Beach and Delray Beach. The Habitat process goes back to the traditional values of reward through effort. Each partner family is required to pay back the actual cost of the home through a non-interest-bearing mortgage, with monthly payments of principal, taxes, and insurance. The system is designed to

build self-esteem in the partner families. For more information about Habitat for Humanity South Palm Beach please view the website at: <http://www.habitatsouthpalmbeach.org/>.
