"Post-Covid hiring continues as employers have more jobs than people looking," states Roger Lear, President of OrlandoJobs.com. "If you are a job seeker in almost any sector or looking to change jobs, you have the opportunity to meet over 100 employers face to face and make an impression you cannot do online."

Hire Palooza is a career event that features career expert seminars, free resume reviews, and professional headshots. Our community partner sections feature organizations like Jobs Partnership and HBI that provide free training and jobs for anyone looking for a career change. Meet companies like Jet Blue, Universal Orlando Resort, Toho Water Authority, Celebration Restaurant Group, Florida Blue, City of Orlando, Full Sail, Walt Disney World, University of Central Florida, and many more.

"Anytime you get over 100 quality companies with human recruiters in the same place who all are hiring immediately, it becomes the perfect formula for anyone looking for a job to get one instead of applying online and waiting to hear back," states Lear. "On top of that, many of the companies participating may be a company that you never heard of, and many of these companies have excellent career paths."
