Brown Girl and Brown Boy, Be Mindful

Though Houston will be the last stop for the 2022 tour, like the cities before it, it will be a day children will not soon forget. As school is beginning for many students, it is the perfect opportunity for parents to connect with others who share their commitment to promoting literacy among our youth. Parents play a critical role in their children's education, and promoting literacy is a key part of that. No better way to kick off a school year than with kid red carpet fun!

“

Literacy is life! The Brown Girl and Brown Boy Kid's Red Carpet event provides parents with the perfect opportunity to give their children the foundation they need to succeed.”
