

StoreSMART Expands on Vial of Life Program with New Life Saving Product

StoreSMART Expands on Life Saving Vial of Life Program with All New Diabetic Alert Program.

ROCHESTER, NEW YORK, UNITED STATES, August 16, 2022
/EINPresswire.com/ -- [StoreSMART's Diabetic Alert Program](#) is a quick and easy way to provide medical first responders with life-saving information.

During medical emergencies, when seconds count, a patient may be unable to communicate. Enter StoreSMART's Diabetic Alert Program, a quick and easy way to provide medical responders with potentially life-saving health information—and FAST!

The Diabetic Alert Program

“

Living with type 2 diabetes, and a son with T1D, I designed these items to improve our lives. It's to keep teachers, first responders, caretakers, and families informed.”

-Reenie Feingold

Emergency responders can make the best treatment decisions when they're aware of an individual's medical history, medications, and allergies. StoreSMART curated the Diabetic Alert Program with both first responders and families in mind. The design allows for an array of storing and presenting life-saving medical information, while also keeping mobility in mind. The program was designed with the foresight that most diabetics may need assistance while on the go. The Zipper pocket was created to attach to diaper bags, strollers, wheelchairs, car seats, and backpacks. The Diabetic Alert Program ensures that

medical information is always at your fingertips.

This design for diabetics includes a medical form and sticker to help pinpoint where medical information is located. The sticker is for a door or window to alert medical personnel to the location of the Diabetic Alert Program in your home or place of work.

The cover can be custom printed, making it an excellent informational giveaway for hospitals, ambulance corps, fire departments, local government agencies, schools, or retirement communities.

Diabetic Alert Product Information

Diabetic Alert Program Product Details

DIABETIC ALERT FILE JACKET 8.5" x 11"
DBFJ85
Size 8.5" x 11"
Our Diabetic Alert File Jacket helps family members and responders find important medical information FAST! This sturdy vinyl pocket comfortably holds its own medical information form (where you can detail your medical conditions, medications, allergies, insurance info, emergency contacts, and more). As well as any additional letter-size documents. Included is a 3"x3" sticker to place on your door or window to alert medical personnel to the location of your Diabetic Alert.

DIABETIC FOLDING WALLET POCKET 4" x 5"
DBFJ85
Size 4" x 5"
Here's a handy, wallet-sized version of our popular Diabetic Alert. Marked on both sides for easy visibility, it fits in most wallets, purses, briefcases, desks, and luggage. Made of durable polypropylene archival plastic. The inside features two crystal-clear 2 1/8" x 3 1/4" business card-sized pockets. Opens in the center.

DIABETIC ALERT ZIPPER POCKET 5" x 5"
DBPRZIP
Size 5" x 5"
Here's a hanging version of our Diabetic Alert. The sturdy metal grommet makes it easy to clip inside a child's backpack, stow inside your camping gear, diaper bag, stroller, or wheelchair. Includes a 9" elastic cord for easy attachment. Attach it to a lanyard and slip it in your gym bag or bike saddlebag, or tuck it inside your vehicle glove box, suitcase, or camera bag.

DIABETIC ALERT FILE POCKET 4" x 9"
DB4X9S
Size 4" x 9"
This sturdy vinyl pocket holds the medical information form (where you can detail your insurance info, emergency contacts, and more). As well as additional letter-size documents. The front features a clear oversized card holder -- the perfect place to tuck a photo, business cards, or your doctor's contact information. You'll also receive a 3"x3" sticker to place on your door or window to alert medical personnel to the location of your Diabetic Alert.
