Abyde is delighted to announce its new collaboration with ABB OneBill. The Abyde software solution is the easiest way for any sized eye care practice to implement and sustain comprehensive HIPAA compliance programs. We offer ground-breaking software that assists optometrists in prioritizing their compliance processes. In addition to our cutting-edge software solution, Abyde provides live Master Classes and exceptionally qualified HIPAA specialists to assist ABB customers in expanding their industry understanding.

Abyde's revolutionary approach to HIPAA compliance guides practices through mandatory HIPAA requirements such as the Security Risk Analysis, HIPAA training for doctors and staff, managing Business Associate Agreements, dynamically generated policies, and more. As industry leaders, the software equips practices with the tools and support necessary to experience stress-free compliance.

"We are thrilled to welcome ABB OneBill to our network of partners," said Matt DiBlasi, President of Abyde. "We have extensive experience in the eye care space and look forward to sharing our expertise with the members of ABB OneBill for years to come!"

"Abyde gives our members a truly user-friendly approach to HIPAA compliance," said Jill Stephenson, head of vendor partnerships at ABB OneBill. "Members will love the friendly user-interface, step-by-step questions, and timely reminders. Abyde also provides personalized HIPAA documentation and forms, historical tracking and support in the event of an audit, and more. Plus, we appreciate Abyde's support of our member education. Our team is delighted to partner with Abyde and as our members come to know Abyde and their platform, we believe they will feel the same way."

About Abyde
