CHICAGO, ILLINOIS, USA, August 2, 2022 /EINPresswire.com/ -- [Get Cozy With Emme](#) and The Business of Mindfulness

The pre-pandemic world was a non-stop hustle and bustle. While the world has since returned to a similar lightning speed, owner and founder of Get Cozy with Emme decided to prioritize her rest after some much needed downtime in 2020.

Get Cozy with Emme

Get Cozy with Emme is a woman-owned home goods company that aims to increase your quality of rest and relaxation. Offering throws, pet nappers, scarves, scented oils and candles, each product is hand-made and designed with your well-being in mind. Made from 100% Polyester

Chenille Yarn material, all of their throws, scarves and pet nappers are custom made to order. Orders from Get Cozy With Emme come complete with color, size customization, as well as a proprietary scent for each throw, meant to induce complete tranquility as soon as you open the box.

“

I THINK IT IS SO IMPORTANT FOR US TO HONOR OUR BODIES AND REST. AS MOTHERS, FRIENDS, AND SISTERS, WE CARRY THE WEIGHT OF OTHERS AND FORGET ABOUT OURSELVES.”

*Margie*

As an employee, mother, wife, friend, sister and daughter, Margie struggled to make her mental and physical health a priority. When the world shut down for a while, she was able to focus on being a mom, being an individual, and devote time to exploring new things. She was a longtime admirer of the chunky knit blanket style and decided it was

time to make her own. She finally found the rest she was looking for and wanted to help everyone experience it.

"I WOULD LIKE FOR THIS BLANKET TO BE A VEHICLE FOR ME AND OTHERS TO CONTINUE TO UNCOVER OUR JOURNEY IN SELF CARE," says Margie. "I THINK IT IS SO IMPORTANT FOR US TO HONOR OUR BODIES AND REST. AS MOTHERS, FRIENDS, AND SISTERS, WE CARRY THE WEIGHT OF OTHERS AND FORGET ABOUT OURSELVES. I WANT TO REACH OUT TO THEM AS A REMINDER TO FOCUS ON SELF CARE."

In true alignment with her values, Margie supports other small, women-owned businesses in prioritizing rest and relaxation. Working with founder Pam of [Shea Is Life](#), Get Cozy With Emme offers luxurious shea butter products that are a vital part of founder Margie's self care routine. Shea is Life products can be found in the Get Cozy with Emme retail space at Painted Tree Boutique, as this brand highlights treating yourself well.
