

HAVEN LIGHTING WINS PRESTIGIOUS FAST 55 AWARD FOR ASTRONOMICAL REVENUE GROWTH

Business Courier has named Greater Cincinnati company, Haven Lighting as a winner of its 2022 Fast 55 award in the \$5.1 to \$10 million revenue category.

HEBRON, KENTUCKY, USA, August 3, 2022 /EINPresswire.com/ -- Within six years of its founding, [Haven Lighting](#) has already placed itself in the list of the fastest-growing companies in the Greater Cincinnati area twice.

The region's premier ranking program, Fast 55 recognizes companies that demonstrate high revenue growth. In the last season, Haven Lighting was a finalist in the \$5.1 to \$10 million category and this time, the company has been declared a winner in the same category.

The logo for Haven Lighting features the word "HAVEN" in a large, bold, blue, sans-serif font. Below it is a thin horizontal line, and then the word "LIGHTING" in a smaller, blue, sans-serif font, with wide letter spacing.

The company's rapid rise to the top can be attributed to its commitment to constant innovation and user experience. Its deep understanding of client needs combined with its vertically integrated product development has firmly established Haven Lighting as a leader in the smart [landscape lighting](#) industry.

“

Haven Lighting, at its core, is about user experience.”

Chris McCoy, Founder

With a range of products that cater to residential and commercial clients, the company develops expert software and hardware landscape lighting solutions in-house. This approach enables Haven Lighting to get direct feedback from the clients it serves and develop solutions that meet

those needs.

Its product line of smart landscape lighting solutions and cloud-based communication systems make it extremely easy for clients to install, operate, and maintain their exterior lighting.

Speaking of its new product line and brand-new app, Haven Lighting Founder, Chris McCoy said, "Haven Lighting, at its core, is about user experience."

About Haven Lighting: Based in Hebron, KY, Haven Lighting is a first-of-its-kind, smart landscape lighting company. Founded in 2016, the company came into existence to disrupt the old-fashioned distribution models that fostered a lack of innovation. Since its inception, Haven Lighting has been at the forefront of technological innovation, constantly offering its customers a smarter, more customizable, and more convenient way to light up their homes and businesses.
