ROCHESTER, NY, USA, August 3, 2022

/EINPresswire.com/ -- Mighty Paw, creators of the [Smart Bell](#), Lick Pad and other [innovative dog gear](#) and chews, announced the launch of their new [Pet Hair Remover](#).

It's a multi purpose lint roller that picks up pet hair, fur, lint and dust thanks to its 360° extra sticky reach. The tool is designed to be used at home, in the office and on the road for clothing, beds, couches, chairs, curtains, rugs, keyboards and car seats. Essentially any hard to reach places!

The pet hair roller comes with 2 handles and 5 sticky refills that feature 90 spiral sheets each for a total of 450 sheets. That makes it easy to keep one lint roller at home and one in the car or at the office. To reveal a fresh sheet, locate its top corner and gently peel it back.

Once the last sheet has been used, it's super easy to pull the empty roll off the handle and replace it with a fresh one.

Since then, Mighty Paw has designed a full range of high-quality, affordable products that make life easier and more fun for active dog parents.
