MoveEast Los Angeles is a California-based moving company specializing in cross-country moves from Los Angeles, California to New York and New Jersey

LOS ANGELES, CALIFORNIA, USA, August 3, 2022 /EINPresswire.com/ -- MoveEast Los Angeles is a California-based moving company specializing in cross-country moves from Los Angeles, California to New York and New Jersey. This company seeks to increase its client base by promoting its unique, direct, non-stop cross-country moves from California.

“Moving across the country has proven to be a daunting process for many people, year in and year out,” said the MoveEast Los Angeles branch CEO. “It is no wonder moving has been said to be one of life’s most stressful events. However, at California New York Express, we believe that a long-distance move such as the ones we handle all year round need not be stressful. In fact, with the right [California movers](#) like MoveEast, you will experience a smooth transition. We have been in the moving business for many years now, with great success stories from our customers. Join our database of satisfied clients by signing on with us to move this year.”

MoveEast head of marketing intends to promote the company’s cross-country moving services all through the moving season this year. She says that most cross-country moves happen during the spring and summer break. And that is when many folks choose to make a business or residential transition.

To do this, she intends to revamp the company website to highlight the main cross-country routes that these [cross-country movers in Los Angeles](#) frequent.
