*Eating Healthy Should be a Way of Life*

NEW YORK, NEW YORK, USA, August 3, 2022  
/EINPresswire.com/ -- The Women Owned,  
Australian-inspired wellness brand known for  
creating food with simple whole ingredients, [Wattle  
Cafe](#) Murray Hill, is launching a partnership with  
[Caterplace](#), the leading catering app for office  
deliveries in NYC.

Caterplace and Wattle Cafe's, 519 3rd Avenue, NY  
location have joined forces to bring healthy,  
nutritious food to a bigger and wider audience. As  
people come back from vacation and into their  
offices we want to make that transition as seamless  
and comfortable as possible. In providing access to  
the foods you have been used to when working from home, coming back to the office shouldn't  
feel so stressful. In partnering with Caterplace we want to take the fuss out of catering or group  
orders to leave you to focus on doing what you do best. Follow the link below to see how to  
place your first order and enjoy.

“

Why not take the headache  
out of catering or group  
orders and let Wattle and  
Caterplace work with you”  
*Ana Ivkovic, Founder and CEO,  
Wattle Cafe*

If ever you are in Murray Hill, please come by our cafe and  
enjoy some Australian inspired food and coffee with us. As  
a brand that takes inspiration from our founders  
Australian roots, our food is prepared from simple whole  
ingredients.

The Wattle mission is to nurture, so we have worked to  
create a menu that shines a light on those ingredients. No dish is made with more than a  
handful of ingredients and each can be easily recognised. Some of the amazing ingredients we  
use include Maca Root, Cacao, Blue Algae, Turmeric, Nuts, and Acai. Oh and did we mention we  
only use Organic Maple Syrup.
