

Intense Technologies Recognized as a Leader in 2022 Aspire CCM-CXM Leaderboard for AnyPrem CCM Software

Intense Technologies positioned amongst AnyPrem CCM Software Leaders in Telecom, Insurance, Public Sector, and Utilities verticals

HYDERABAD, TELANGANA, INDIA, August 4, 2022 /EINPresswire.com/ -- Intense Technologies Limited a leading global enterprise software Products Company focused on helping businesses deliver contextual and meaningful customer communications

has been positioned amongst AnyPrem Customer Communications Management (CCM) Software Leaders for Telecom, Insurance, Public Sector and Utilities verticals in the 2022 Aspire CCM-CXM Leaderboard™.

Additionally, Intense Technologies has also been recognized as a Leader in two other segments Vendor Hosted SAAS CCM and Communications Experience Platform (CXP) for the Utilities and Telecom verticals in the same report.

This is the fifth consecutive year Intense Technologies has been recognized in the Aspire Leaderboard, and this year it has earned the distinction of a Leader- Ranked amongst AnyPrem CCM Software Leaders for the Telecom, Insurance, Public Sector, and Utilities vertical markets.

Aspire, a leading international consulting firm specializing in CCM and CXM industries, features five interactive grids in its 2022 Leaderboard, placing vendors into categories to help identify the best solution to meet an organization's current and future needs.

"Intense's UniServe NXT offers a comprehensive platform with a wide range of capabilities that is well suited to the unique needs of large organizations, particularly in the communication services space, as well as the public sector," commented Kaspar Roos, Founder & CEO of Aspire. "We were particularly impressed with the company's focus on interactive technologies, its low-code/no-code approach, and the scalability of its UniServe solution."

Intense Technologies Limited

On this occasion, Mr. C.K. Shastri, Chairman and Managing Director, Intense Technologies, said, "Intense's recognition is gratifying as it reaffirms our belief in the importance of providing hyper-personalized customer experiences. By bringing in new capabilities, and new features we play a vital role in our customer's business and technology transformation goals. Our innovation-driven approach and cutting-edge technology transform typical customer communications into highly personalized, engaging customer experiences with relevant two-way, interactive video communications, and more."
