[Never Give Up](#) Day on August 18th, is a life changing campaign that contributes positively to the city and its residents. The day not only applauds people for reaching their goals, but also supports those who are still trying to achieve their goals.

We've experienced a global pandemic, dramatic changes to how we conduct our daily lives, economic uncertainty, and political and social turmoil, as well as an array of natural disasters. Then, there are personal traumas that people are also dealing with, such as the loss of a loved one, declining health, unemployment, divorce, violent crime, or tragic accidents.

[Never Give Up Day](#) is coming as a calling for millions of people.

“

We have had a tough year and many people will try and express their emotions and resilience more than usual”

*Mr Never Give Up*

“So many people have no choice but to be at their strongest and most resilient, because the fate of their loved ones rest upon their resolve to never give up. Never Give Up Day is dedicated to all the people who have today not lost their determination and ambition. It's a day where they feel supported for the courage with which they maintain their fight without giving up.”

Associations, charities, the public and private sectors, schools, universities and, more generally, citizens, can make this day a springboard for awareness-raising actions.
