

Core Gaming and LucidSound Partnership Offers Audiophile-Grade Sound for Gamers

Gaming Pioneer Makes Headsets that Sound, Feel, and Look Great

YORBA LINDA, CA, UNITED STATES, August 5, 2022 /EINPresswire.com/ -- [CORE Gaming](#) has partnered with headset pioneer [LucidSound](#) to offer audiophile-grade sound and high-performing headsets to the worldwide gaming community.

“Video games have taken a giant leap forward with lifelike graphics and increased speed of gameplay in recent

years,” explains Paul June, VP of Marketing for CORE Gaming. “Lucid Sound has played an equally important role, paving the way for a more immersive and realistic gaming experience. As videogame sounds have evolved, so too have gaming headsets, led by pioneers in the field like Lucid.”

Lucid Sound has played an important role, paving the way for a more immersive and realistic gaming experience. As videogame have evolved, so too have gaming headsets, led by pioneers like Lucid.”

*Paul June, VP of Marketing
Core Gaming*

Founded in 2016 by gaming industry veterans, LucidSound set out to make headsets that sound great, feel great, and look great. Their award-winning designs ushered in a new direction for gaming audio, featuring audiophile-grade sound and premium build quality. The company became part of the [PowerA](#) family of brands in 2020, joining the global leader in video gaming peripherals.

Popular LucidSound headsets available at CORE Gaming include the following gamer favorites.

LucidSound’s flagship LS50X Hybrid Wireless and Bluetooth Gaming Headset for Xbox features lag-free wireless audio and chat for Xbox gaming, and simultaneous Bluetooth connectivity for total wireless freedom. Gel-cooled earpads combine with dual noise-canceling mics and powerful custom-tuned drivers to make this the ultimate Xbox headset. Officially licensed for

Xbox, it works on Xbox Series X|S.

The award-winning LucidSound LS35X Wireless Surround Sound Gaming Headset was designed for complete wireless freedom. There are no dongles, cables, or configurations needed. Hear immersive Windows Sonic surround sound and crystal-clear chat, and experience next-level comfort with memory foam earpads and a flexible headrail. Includes a removable boom mic for chat clarity in the heat of battle, and a secondary built-in mic perfect for mobile gaming and calls. Officially licensed for Xbox, this headset works with Xbox Series X|S and any 3.5mm audio source. The 3.5mm cable included for use with Xbox, PC, Mac, and mobile makes this headset great for video chat and conference calls.

LucidSound's LS25 eSports Gaming Headset is designed for the esports and competitive PC gaming community. It offers features essential to superior performance during tournament play. Highlights include a mic monitoring feature that lets you hear your voice in the headset, so you know how loud to talk, plus a flexible headrail and solid metal touchpoints for strength, durability, and a premium feel. Compatible with PC, Xbox Series X|S, Xbox One, PS5, PS4, and mobile.

LucidSound's ultra-lightweight and comfortable LS15P Wireless Gaming Headset lets users upgrade their audio without breaking the bank. This

headset works great with PlayStation 5, PlayStation 4, and PC. Features include intuitive quick access audio controls, interference-free wireless connectivity, custom-tuned 50mm drivers, and a
