LAS CRUCES, NEW MEXICO , UNITED STATES, August 8, 2022

/EINPresswire.com/ -- The city of Las Cruces joins community members celebrating [Never Give Up Day](#) on [August 18th](#). The mayoral proclamation signals the city's role in recognizing the impressive resilience and determination of its community.

There are moments when we become so lost, we are not quite sure we'd ever find ourselves again. In those dark moments of uncertainty and fear, it is hard to maintain face, let alone the strength to keep moving forward. To many people the story would end right there.

Never Give Up Day is coming as a calling for millions of people. It comes when they need it most. The strength of this day gives us the time we need to grow so that we can become our fullest selves.

“

On Never Give Up Day, we celebrate the resilience, determination and courage with which people persevere in their struggle against overwhelming odds”
