

# Elevate The Flight Experience With xCraft's All New Maverick SE Drone

America's Drone Company releases its latest UAS system, the Maverick SE.

COEUR D'ALENE, IDAHO, UNITED STATES, August 9, 2022

/EINPresswire.com/ -- [xCraft Enterprises](#), "America's Drone Company", delivers once again. Today, xCraft releases its newest UAS system, the [Maverick SE](#). This is the latest addition to an already advanced [product lineup](#).

"Currently this is my favorite drone to fly here at xCraft", stated CEO and Co-Founder, JD Claridge.

The Maverick SE's sporty power takes your flight experience to new levels. Featuring an enclosed and ducted rotor design, providing safety and maximising efficiency for up to 20 minutes of flight time.

Newer to flying? No worries. This UAS has two different flight modes. With ease, switch from loiter to sport. Depending on your skill level, the Maverick SE flight does not disappoint.

Additionally, this drone has all the autonomous features you've come to expect including auto return to home, land, and hold features. The drone comes completely assembled in a waterproof custom hard case with all accessories. The Maverick SE package includes everything you need to start busting through the FPV gates.

Maverick SE comes equipped with ducted design, maximising flight time

The Maverick SE elevates the drone flight experience

Priced at \$2,999, get your Maverick SE today. The first 200 buyers get \$200 off by using the promo code "MAVERICK-SE200" at checkout.
