NEW YORK, UNITED STATES, August 8, 2022 /EINPresswire.com/ -- On Monday, August 8, 2022, Rooftop ReP one of the most undeniable emerging musical talents from Brooklyn, New York, releases his new single "Beautiful Ugly" distributed via ONErpm/Stadium Status Entertainment Grp Inc., to all digital platforms worldwide.

"Beautiful Ugly" is a timeless record of positive reflection, hopefulness, and creativity in the realest form of dualism.

"It has little to do with the circumstances of our lives but everything to do with what we focus on, because whatever you put focus on grows. You can focus on what you have or the things you don't have. The opportunity or the struggle. The Beauty in people or the ugliness and that will grow without a doubt. The process of artistic creation is one that does not involve too much thinking, but more of channeling the right energy. Beautiful Ugly was a beautiful process of good energy and creativity. I heard the beat, which was produced by Adrian Alston-Moore and the rest was history. I wanted to create a record that everyone can resonate with when they hear it." said Rooftop ReP

Through “Beautiful Ugly”, ReP welcomes listeners awareness to his MAGNUM OPUS 3 EP ;adding a variety and freshness to their expectations! Beautiful Ugly was written by Adrian P. Sandy; mixed by Jacob Zacharia at Corner Store Studios, NYC.
