

Florida Man Launches Crowdfunding Campaign to Open Live Music Hub in Kyiv

Peace, Love & Guitars launches IndieGoGo campaign hoping to raise \$25,000 to help fund a live music hub startup in the center of Kyiv.

SARASOTA, FL, UNITED STATES, August 8, 2022 /EINPresswire.com/ -- Brent David, a long-time visitor to Ukraine and resident of Sarasota, FL, has recently created a crowdfunding campaign to help raise \$25,000 for a live music hub he is currently building in Kyiv, Ukraine. He is actively seeking people who would like to [donate](#).

Live Music Scene at Peace, Love & Guitars

Peace, Love & [Guitars](#) (PL&G) is an exciting new concept. It's a 2000 sqft music hub where [musicians](#) can meet, jam, and distract themselves from the war outside. It's a place where anyone can come and eat, drink, talk, and listen to original music. And if you're a musician, you can showcase your talent, record a track, and collaborate with others. This is a very new concept and we are excited to be bringing the first one to the capital of Ukraine. Future plans include expanding the concept to other cities around the world.

“

Things are difficult in Ukraine now. I hope people will give generously so that we can encourage and nourish local talent while giving people the opportunity to feel good for a little while”

donations from musicians, music lovers, and those that care about helping the people of Ukraine.
