Yee gave everything for his faith and did not stray from the path of Salvation in heart, God controlled Sid to come across hypocritical to make him look bad. As a result of this crucible, Yee came to a realization that would upend his previous world view: namely, that God ruined his life and continues to lie and deceive the world.

In his work, Yee expresses to readers how he was betrayed by God and how he believes God was the reason why his life was ruined. With this he provides readers with a cautionary tale, showing the grave difficulties he endured and how he arrived to the conclusions. This guide book, that Yee provides is to forearm and forewarn all Christians to God 's manipulations in their Christian

walk due to an eternal miscalculation by God.
