

Covered Insurance Announces Integration with Q2's Digital Banking Platform to Provide Embedded Insurance Services

Q2 financial institutions can now offer Covered Insurance Services to their account holders through Q2's Partner Marketplace

DENVER, COLORADO, UNITED STATES, August 9, 2022 /EINPresswire.com/ -- Covered [Insurance](#) Solutions, an award-winning leader and provider of

[embedded insurance](#), today announced its integration with Q2's digital banking platform. Q2 Holdings, Inc. (NYSE: QTWO) is a leading provider of digital transformation solutions for banking and lending. Through this integration, Covered can now offer home insurance via Q2's Partner Marketplace Program, providing an embedded insurance platform for users to receive multiple quotes, access free unbiased coverage counseling, and seamless policy renewals.

The Q2 Partner Marketplace allows banks and credit unions to provide their customers and members with innovative applications all within their digital banking solution. Now with the integration with Q2 Partner Marketplace, financial institutions can offer Covered Insurance Solutions to help their account holders get the best insurance policy at the most competitive rates for their home, auto, renters and more.

The integration with Q2's platform enables banks and credit unions and their account holders access to a personalized insurance marketplace. Account holders enter basic information about themselves and receive multiple insurance quotes. All policies that are sold through the marketplace are managed and serviced by Covered.

"With this integration, Q2 customers can deliver a seamless insurance shopping experience within the Q2 ecosystem. Account holders can receive multiple home quotes, compiled from over 30 carriers, by simply verifying their information. We put customers first by making insurance easy to understand and painless to purchase," said Rob Brennan, Chief Revenue Officer at Covered. "We're all about meeting customers where and when they need insurance."

"We are pleased to see Covered Insurance Solutions join the Partner Marketplace," said Johnny Ola, Managing Director, Q2 Innovation Studio. "Our financial institution customers now have the option to offer Covered's insurance purchasing experience to their account holders."

Covered's embedded integration with the Q2 Partner Marketplace exemplifies meeting the industry's need to innovate faster than ever. By simplifying a traditionally complex integration for financial services companies, Covered allows banks and credit unions to easily flip a switch within their existing customer platform to provide immediate value to customers by increasing overall satisfaction and retention.
