

Tarps Now Announces Informational Circular for use of Clear Vinyl Tarp Solutions

Guidance Released in Response to Strong Demand for DIY use of Clear Vinyl Tarps

ST. JOSEPH, MICHIGAN, UNITED STATES, August 8, 2022 /EINPresswire.com/ -- Tarps Now® is pleased to announce the release of a new informational circular focused on the use of [Clear Vinyl Tarps](#) and Clear Vinyl Curtains for use in a variety of residential, business, commercial, industrial, warehouse, and construction applications.

[Vinyl Tarps](#) are highly effective and popular, due to the relative ease in installation, as well as being 100% waterproof, thus making them very easy to clean and disinfect in a wide variety of applications.

Made from extremely durable vinyl that generates crystal clear views of what is outside, Clear Vinyl Tarps and Vinyl Curtains are perfect for porches, patios, decks, entryways, and outdoor eating areas. It's important to note their use in outdoor consumer based businesses. For example, wine and beer gardens where these areas can be happily utilized without the issues and unpleasantness of rain, snow, cold, and wind. The clear protective products are also ideal for creating partitions, temporary walls, and other barriers for home, businesses, special events, construction, and manufacturing settings.

In addition to the mentioned uses, Clear Vinyl Tarps are great for camping, fishing, and hunting expeditions along with creating a temporary shelter or shield during emergency situations. Their clear views are excellent for purposes of covering equipment, materials, and supplies that you

need to keep an eye on for safety and security reasons. The applications are almost endless.

Clear Vinyl Tarps are waterproof and anti-microbial while also resisting UV rays, cold weather, chemicals, grease, rot, and mildew making for reliable and safe usage. Popular thicknesses for these products are 20 Mil (18 ounces per square yard material weight) and 30 Mil (27 ounces). There is also a 20 Mil Fire Retardant version. Clear Vinyl Tarps are fitted in double stitched hems with sturdy brass grommets equally spaced around the entire perimeter to quickly, easily, and securely tie them down. For areas subject to wildfires, there are even fire retardant vinyl tarps that can be used in a wide variety of ways to protect home and property.
