SAN FRANCISCO, CA, UNITED STATES, August 8, 2022 /EINPresswire.com/ -- Priestess Anandha Ray & The Sacred Dancers of [Quimera Ritual Dance Troupe](#) Performs New Dances During Their Residency at Findhorn, Scotland.

“

We will go to perform at FINDHORN! This mystical center grew magically huge veggies by communing directly with the Earth spirits. Now it manifests the magical energies of the arts, including dance.”

Priestess Anandha Ray

“I've been talking about our sacred performances at the Fringe, and our performances and workshops at Findhorn Ecovillage,” [Temple of Isis](#) Priestess & Sacred Choreographer Anandha Ray declared. “We priestesses of the temple of Isis, after performing our ritual dances, will embark upon a journey of ceremonies and ritual. After Findhorn, we will sojourn all the way to Glastonbury England where we will meet with third generation Druid

Priestess Tree Moonstorm Ulfhednar who will guide us in transformational ceremonies in the footsteps of the Priestesses at the White Spring, Chalice Well and the Tor in Glastonbury. We will dance with the spirits of the land and create ways to honor the many of us who have ancestors from these lands!”

“Following our performances at the Fringe... we will go to FINDHORN! Have you heard of Findhorn?! This renowned mystical center grew 40-pound cabbages on infertile, dry soil by communicating directly with the Earth spirits (faeries... also called subtle realms of Earth energy that manifest in faerie form so our human mind can comprehend it),” says Priestess Anandha Ray. “Now it also manifests the magical energies of the arts, including dance.”

While at Findhorn, Ray and the Sacred Dancers of Quimera will teach a workshop on Quimera Ritual Dance and present a performance at 4pm August 16th at the Findhorn Ecovillage.
