

HYPER EFFECTS CREATES ENGAGING VIDEOS FOR SMALL BUSINESS IN OLALLA

Video is the most astonishing way to communicate online. A custom tailored video can reach out of the screen and stop the viewer in their tracks.

OLALLA, WASHINGTON, UNITED STATES, August 9, 2022

/EINPresswire.com/ -- Olalla is a small unincorporated community in Kitsap County, Washington, United States. It is located on Colvos Passage on Puget Sound, just north of the Pierce County county line. Olalla used to be as large as Port Orchard, the county seat of Kitsap County. Olalla was settled in its early years by a large number of Norwegian and other Scandinavian immigrants because of its similarities to their native countries.

Noted as early as the 1860s Olalla developed a commerce center by way of its good sea water access. The "old town" port located by the Olalla lagoon was made up of many business buildings, most on piers. Shipping and the mosquito fleet (ferrying system at that time) was very busy moving materials, goods and people. Olalla's name is the Salishan and Chinook Jargon word for "berry" or "berries" (usually olallie or olallie in most lexicons of the jargon).

Video is the most astonishing way to communicate online. A custom tailored video can reach out of the screen and stop the viewer in their tracks. This leads to more engagement with their Small or local business. Whether they are launching a new product, brand, or company, incredibly produced videos should be the centerpiece of their campaign.
