The market intelligence report is a prototype of the 360° overview of the global Decision

Intelligence industry, shedding light on the estimated market value, share, growth trends, gross revenue, competitive overview, prominent manufacturers and buyers, available product types, and end-use applications.

Report Description:

The latest research report is inclusive of a precise summary of the intensely competitive landscape of the global Decision Intelligence market. It offers a systematic presentation of the company profiles of the leading market players. This section of the report analyzes the effective initiatives undertaken by these players for business expansion in the long run. In addition, this section highlights the key developments and financial positions of these companies to explain the overall market scenario. The company profiles of the established and new players have been assessed using certain effective analytical tools, such as Porter’s Five Forces analysis and SWOT analysis.

Some of the key players profiled in the report are:

Baidu, Inc., Advanced Micro Devices, Inc., Arm Limited, H2O.ai, Inc., AiCure LLC, Clarifai, Inc., Enlitic, Inc., Ayasdi AI LLC, HyperVerge, Inc., and Iris.ai AS.

For more information on the market trends and growth opportunities, visit our website at:

Hybrid-based segment is expected to register a substantially rapid revenue CAGR during the forecast period, owing to increasing demand for human-machine interactions in order to detect issues and achieve faultless judgement.

Machine learning segment is expected to register a significantly robust revenue growth rate over the forecast period due to rising need for predicting accurate outcomes. Machine learning

algorithms use historical data as input for predicting new outputs.

Big cloud providers segment is expected to register a substantially rapid revenue CAGR during the forecast period due to increased demand for on-cloud services in order to have flexibility in using decision intelligence solutions.

North America market is expected to register a considerably large revenue share due to robust presence of major players providing decision intelligence solutions such as Advanced Micro Devices, Inc., H2O.ai, Inc., AiCure LLC, and Clarifai, Inc. among others in countries in the region.
