MMC Cast Members 2019 Reunion at Disney World

CREATE IMPACT™

I am thrilled to come together again with my fellow MMC members...to honor and celebrate such an esteemed group of humanitarians. Celebrating humanity is what we are all about."

Rhona Bennett, En Vogue

Speaker & Founder of Secret Knock), and will honor and celebrate extraordinary individuals and organizations creating positive social impact solutions. Among the honorees are Cast Member Pantry's Emily Lartigue, who has helped more than 10,000 Disney Cast Members facing hardships. Walter Hart, Jr., founder of Canine Companions, will also be spotlighted for his work in providing service dogs to veterans with PTSD and to children who struggle with the challenges of Autism Spectrum Disorder (ASD).

The event will creatively mix a magical, experiential, and immersive celebration of humanity and feature a VIP

Champagne Reception, Food & Drinks, Red Carpet Photo Ops and Interviews, Live Music, Presentations, the Awards Ceremony, and an After-party.

This awards event that brings together social impact, spectacle and recognition, marks one of several occasions over the past decade that MMC cast members have reunited to amplify the reach of a worthy cause. In 2020 during the height of the pandemic, 16 of the MMC members recorded and released a special MMC Christmas album, donating a portion of album proceeds to support COVID relief efforts of the Brave of Heart Fund and the critical health and welfare services of MusiCares. The following year, the MMC members of the 90s pop band, The PARTY, gave a special reunion concert in Orlando, FL to celebrate the band's 30th anniversary. The concert also helped raise awareness for the nonprofits Give Kids The World Village and Cast Member Pantry.

Rhona Bennett says about the upcoming event, "I am thrilled to be able to come together again with my fellow MMC members to raise money for the beneficiaries, and to honor and celebrate such an esteemed group of humanitarians. Celebrating humanity is what we are all about."
