Whether it is Acoustic or Full band, Covers or Originals, the dynamic and energetic performance keeps the crowd engaged, either moving on the dance floor or on the edge of their seats!

It stayed in the charts for 24 weeks until it was put into recurrent status the first week of February 2022. His 2nd Single "EVERYONE KNOWS" got to #19 on on the Texas Internet Radio Chart and #83 on the Texas Country Music Chart. They are both continuing to rise. His new hit single "HOLDIN' ON" was released in April 22, 2022 and is currently climbing on all four Texas Music Charts!
