

# Supply Chain Wizard has been recognized as Great Place to Work®

Supply Chain Wizard is proud to announce that the Company has been Certified™ as Great Place to Work® with a 91% Overall Score in August 2022.

NEW JERSEY, PRINCETON, UNITED STATES, August 16, 2022

/EINPresswire.com/ -- [Supply Chain Wizard](#), a digital innovation and [software solutions](#) firm, and a global leader in digital supply chain transformation programs, is proud to announce that the Company has been Certified™ as [Great Place to Work®](#) with a 91% Overall Score in August 2022.

SCW Has been recognized as Great Place to Work®!

This prestigious recognition has been given by Great Place to Work® through a broad and anonymous survey in which SCW employees evaluated the employee experience, corporate culture, and leadership approach at Supply Chain Wizard.

“

Our employees are our most valuable asset and by receiving this designation we have demonstrated our dedication to making this company a Great Place to Work.”

*Founder and CEO, Evren Ozkaya, Ph.D.*

"Being named as Great to Place to Work® is a distinguished recognition for Supply Chain Wizard. Our Wizards are our most valuable asset and by receiving this designation we have demonstrated our dedication to making this company a Great Place to Work®." said our Founder and CEO, Evren Ozkaya, Ph.D.

"We owe our success and this accomplishment to SCW's entire team of dedicated employees and our leadership

team, whose relentless pursuit of diversity, equity, and inclusion has enabled Supply Chain Wizard to earn such a precious award."

The company is proud that 93% of SCW employees identify SCW as a Great Place to Work® and the results show SCW's commitment to its people-centered values. As proof of the best employee experience from Day One, 100% of SCW employees said when you join the company,

you are made to feel welcome. Other focus areas with high scores are 96% in Justice, 96% in Leadership Approach and 94% in Team Spirit, Belonging, and Togetherness areas at SCW.

Supply Chain Wizard hires highly talented people to work collaboratively on solving problems of leading manufacturers in life sciences and other regulated industries with the objective of improving people's lives. Every decision at SCW has a human element. Team development and one-to-one Human Resources mentorship sessions, 360-degree performance evaluations, constructive feedback, and agile scrum methods are employed to achieve robust professional growth supported by a competitive compensation and benefits package. The company cares about employees' personal life and encourages them to enrich both their professional and social lives via company-sponsored events & activities such as Summer Retreat. For Supply Chain Wizard, the employees stand at the very heart of its success, and through targeted and individualized professional growth, a healthy work-life balance, and a corporate culture that values participation and respect, the company is committed to supporting its employees in all areas.
