JWV Statement on President Biden Signing PACT Act into Law

WASHINGTON, DISTRICT OF COLUMBIA, UNITED STATES, August 10, 2022 /EINPresswire.com/ -- The Jewish War Veterans of the U.S.A. (JWV) joins veterans across the country today celebrating the signing of the PACT Act.

“Toxic exposure from burn pits to Agent Orange and other chemicals touches so many in the military and veteran community,” said National Commander Alan Paley. “I am proud of JWV’s vital role in advocating to expand VA health care eligibility and creating a framework for the establishment of future presumptions of service connection.”

“JWV advocacy was a difference maker in securing Congressional passage. The comprehensive package of disability benefits and expanded VA health care services is well earned and is long overdue,” Paley said.
