“Partnering with the city’s classic car show is sure to be a hit,” states John Pilmer, ULCF communication chair. “What could be better, classic rock and classic cars. Both rock!”

“

Both cars and music awaken warm and exciting feelings from our youth and days gone by”

Romeoville.org puts it this way: “Classic cars compete on a completely different level. It’s not about efficiency and speed, but about the experience, style, exclusivity, and craftsmanship, all of which are universal and timeless. Classic cars not only appeal to car lovers, but also to lovers

of engineering, design, art and history.”

“You might say the same thing about classic rock,” states Alan Brees, ULCF 2022 honorary chair. “Both cars and music awaken warm and exciting feelings from our youth and days gone by.”

Two winners from car show entrants will be awarded Saturday afternoon at the festival: The People’s Choice and the Mayor’s Choice, presented by Orem Mayor Young.

This year's festival charity partner is the American Red Cross. Those interested may donate at the festival or online at <https://www.redcross.org/donate/cm/utahlive-pub.html/> . A check will be presented during the festival.
