"Extortion" follows up on the artist's three other original releases from 2022, including: "[Two Ways](#)", "[Come Along Way](#)", and "[Talken About](#)". The new song was composed after BillyCEO purchased an instrumental from YouTube. However, after reading over the terms of the contract, she learnt that the producer wanted 100 percent of production credit and 75% writers share, leaving Billy with only 25% of a song she created.

Disheartened by this unfair system, the eclectic artist decided to collaborate with hit making producer TSH made it and "Extortion" was dropped for listeners on January 29th, 2022.

"At times I jam out to my music, and I am surprised at what I just said or how good it sounds, sometimes I am even shocked. I am my favorite artist and my number one fan, I rarely listen to
