

# Respected Roots Launches Two New Products Using Premium Natural Ingredients

*Respected Roots, a black owned premium grooming line has done it again with the release of their Hair & Scalp Oil and Beard Oil.*

ATLANTA, GEORGIA, UNITED STATES, August 11, 2022 /EINPresswire.com/ -- Respected Roots, a leader in the premium, natural grooming industry, have launched new oils for skin, hair and beard to meet consumers' evolving personal care needs. With these new products, Respected Roots is empowering consumers to personalize their grooming routine with products that fit their dynamic day-to-day issues.

The Respected Roots Co-Creators Jason Hawkins and Jaret Patterson

Respected Roots product line features premium all natural products designed for people who are looking for high quality natural products to repair, rejuvenate and replenish their hair, skin and body.

“

Our Hair & Scalp and Beard Oils, traditionally made with natural ingredients, has helped many women and men with problems such as hair growth, patchy beards and dry skin.”

*Jaret Patterson*

According to Jaret Patterson, Respected Roots Co-Founder, "Our Hair & Scalp and Beard Oils, traditionally made with natural ingredients, has helped many women and men with problems such as hair growth, patchy beards and dry skin. We have also used the same premium ingredients to create other healthy hair, beard and skin care products such as body butters, beard conditioner and foaming co-wash."

Jason Hawkins, Respected Roots Co-Founder adds, "As an black owned brand within the grooming industry, it is our responsibility to continue to innovate and offer new grooming solutions to meet the changing needs of our consumers. We are excited to bring this consumer-

inspired product to market.”

Currently, you can find Respected Roots products online [www.respectedroots.com](http://www.respectedroots.com) or at one of our ten physical locations.
