

City of Surrey, British Columbia, Proclaims Never Give Up Day

The City of Surrey, British Columbia, joins community members celebrating Never Give Up Day on August 18th.

CANADA, August 11, 2022

/EINPresswire.com/ -- For any celebration to become truly effective, it has to be adopted by the mainstream. The mayoral proclamation signals the city's role in recognizing the impressive resilience and determination of its community.

On [Never Give Up Day](#), we love to celebrate and instill resilience and determination in all the wonderful people around the world. After the craziest year, we are so proud of each and every one who has carried on through these uncertain times- those starting a new chapter in their lives whilst not knowing what is round the corner. People - Never Give Up!

“

This day is about motivating others, inspiring ourselves, and remembering that even in hard times, we can keep going”

Mr Never Give Up

Never Give Up Day provides people with a common cause to get together and showing the world that they will never give up the fight against issues of global concern, like illness, poverty and climate change. More people are using Never Give Up Day to thank their spouses or partners who stayed with them through thick and thin, and when things got the toughest, they never gave up on each other and got through this together.

Never Give Up Day was first observed in 2019. However, it was not until 2021, that city mayors approved to proclaim August 18th as Never Give Up Day, making this day a nationwide celebration day. We believe that everyone fighting for a better future deserves to be encouraged to never give up.

This day encourages associations, charities, the public and private sectors, schools, universities, and citizens more generally, to make this day a springboard for awareness-raising actions.
