

# Ohio Media School Hosts Entertainment & Media Industry Leaders at Career Event

CLEVELAND, OH, UNITED STATES, August 11, 2022 /EINPresswire.com/ -- The Ohio Media School Cleveland, Ohio Campus of the [Beonair Network of Media Schools](#) recently hosted a Summertime Career Fair. With the support of our Northeast Ohio media employers and national industry partners, our graduates had the real-time opportunity to interview on the spot for the many job openings available across the media industry.

In a room filled with eager graduates, industry recruiters and managers enjoyed meeting and interviewing candidates interested in their organizations and trained to serve their immediate hiring needs. With so many open positions across Northeast Ohio and the country, the timing was perfect for this very successful event!
