D&J Mechanical, LLC - Efficiency Maine Residential Registered Vendor

“

We started the company to provide high-quality heat pump installations and personalized customer service in Central Maine. We are grateful to our customers...”

Dan Hartford

Dan Hartford established D&J Mechanical, LLC, when he combined his background of serving his community with his knack for mechanical systems. Now Dan focuses on installing heat pumps. In addition, D&J Mechanical, LLC also offers heat pump repair and maintenance services.

"Two years ago, we started the company to provide [high-quality heat pump installations](#) and personalized customer service in Central Maine," stated Dan Hartford, owner and installer at D&J Mechanical, LLC. "We are grateful to our customers and to our suppliers and partners that support our work. We look forward to serving our community for

years to come."

With a decade of experience in the HVAC industry, Dan brings his expertise in heating and cooling systems and is dedicated to serving clients with a high standard of excellence. He

specializes in [Mitsubishi mini-split heat pump systems](#) for best-in-class product quality and industry-leading performance. Dan answers all of his customers' questions and helps customers understand how the heat pump system works and how to operate the heat pump properly.

As an Efficiency Maine Residential Registered Vendor, D&J Mechanical, LLC helps you choose the best heat pump system that's right for your home and budget while maximizing your rebates to save money. Heat pump systems are the most cost-effective methods of heating and cooling homes in Maine.
