

# Anime Park Nijigen no Mori Celebrates Third Anniversary of NARUTO & BORUTO SHINOBI-ZATO

## *Three-Dimensional Maze "Ten no Maki" Renewal Open*

AWAJI CITY, HYOGO PREFECTURE, JAPAN, August 12, 2022

/EINPresswire.com/ -- Nijigennomori Inc. (Headquarters: Awaji City, Hyogo Prefecture, President: Hiroshige Sadamatsu), operator of the Hyogo Prefectural Awaji Island Anime Park Nijigen no Mori, reopened its three-dimensional maze attraction, "Ten no Maki," on Saturday, April 23, to celebrate the third anniversary of the "NARUTO & BORUTO SHINOBI-ZATO" attraction, which opened in April 2019.

Participants enter the Ten no Maki course on a mission to rescue Naruto, who has been kidnapped and taken to another world, alongside Boruto and his friends, in an original storyline exclusive to Nijigen no Mori.

As ninjas from the Hidden Leaf Village, participants must overcome various obstacles and traps, while collecting stamp "seals" from their friends along the way to rescue Naruto. Digital technology that recognises hand movements has also been built into the renewal of the 3D maze. This digital

element has been incorporated in sections of the maze such as the "Door that Doesn't Unlock" passpoint, in which participants are not able to pass through until they form the correct seal and activate their ninjutsu (ninja technique), allowing participants to enjoy the attraction while increasing their immersion in the world of this anime.
